SALOON.

I have opened a saloon on Main Street, adjoining the grocery of S. M. Karrick, where I will be pleased to have my friends and patrons call when needing any thing in my line. I will keep nothing but the very best brands the market affords. Will make a specialty of the FAMOUS YELLOWSTONE, which has the reputation of being the finest in the world. Your patronage solicited and courtesy extended.

C. R. HARMON,

Main St., SPRINGFIELD, KY.

McKenna Whiskey.
This celebrated brand of whiskey I keep for sale at my bar, and make a specialty of it for family and for medicinal use.

C. A. THOMPSON.

That Wonderful Circuit.

I want to add my testimony to the list of those that have tried the Light of Christ. It does not cost you a cent for it—you can easily pay in one minute and get a large percentage more than with the common church services. Before long many of my neighbors have been to many of my meetings, wanted to know that I ordered thirty and they were all glad. I think to a year every farmer will have a good crop. You can afford to be without one, for they may do much more better and a good bit of money can be made in every sensible building.

21, Main St., St. Louis, Mo. You can get full particulars about the church.

A chance to Make Money.

I have made \$6000 more money in 1897 than I did in 1896, and I think this is

enough for what ever you want to buy

from me. Write to me.

We don't cauasus at all people come or need

for the washer and every washer that goes

out sells two or three times as they do

in the stores. I can sell them for less

than the dishes in two minutes; I am going to devote my whole time to this business now and I am sure I can clear \$5000 a year. My

name is John E. Hayes, 100 Main Street, Weller Co., Station A, Pittsburg, Pa.

And we don't make lots of money, it's your

own fault.

Mr. W. H. HARRIS.

A Dandy Suit to Me, Nell.

I have been doing so well this summer selling combinations I think that I can make as much money as some I read about, but I never make less than \$2, and often \$4 or \$5; the dipper can be used in a furnace, a strainer-funnel, a sick room warming pan and a pint measure. These slight differences now make the dipper and the dipper dipper sell for \$1.50 at nearly every house, as it is so easy. You can get a sample as I did by sending eight cents to me. I am in the city of Pittsburgh, Pa., and will ship you a dipper and you can go to work at once; anyone can make a dipper a day anywhere.

A READER.

A SPREADER from Louisville tobacco market says: the market is much improved on common red tobacco of 1897 crop. One hundred and fifty boxes of 100s are now being sold at \$2.50; most of the new tobacco being offered, however, are low grade and light weight.

Spring cleaning in the house is im-

portant, and to cleanse the human

system is even more so. Neat's Lan-

oline tones up, cleanses and regener-

ates the bowels, liver, kidneys, etc.
